**Rep. Kevin C. Ambler Receives “Friend of the Fair” Award from  
Hillsborough Regional Science Fair**

TAMPA, FL- Representative Kevin C. Ambler (R-Lutz) was presented with the “2007 Friend of the Fair” award from the Hillsborough County Regional Science and Engineering Fair at Tuesday’s annual competition held at The University of South Florida Sun Dome. He was recognized for his consistent commitment to science education at the elementary, middle, and high school level.

Rep. Ambler assisted the Regional Science and Engineering Fair in creating an educational partnership with the International Academy of Design and Technology who pledged to donate \$75,000 over a period of five years. An additional sponsorship from The University of South Florida will also help to cover the operating costs of this countywide event. “I am thrilled that our local education partners share the vision I do in providing Hillsborough County’s best and brightest students a place to showcase their work. A quality education is one of the most important things a community can provide to its youth,” Rep. Ambler said as he accepted the award this week.
