**Representative Ambler and Representative Harrell Hosts Idearaiser on the Topic of:  
Improving the State of Mental Health**

TAMPA, FL – Representative Kevin Ambler (R-Tampa) is pleased to announce that he will host an “Idearaiser” on Thursday, August 3 at 7 p.m., at the H. Lee Moffitt Cancer Center (Stabile Research Center) at 12902 Magnolia Drive, in Tampa. The focus of the meeting is to stimulate discussion and brainstorm on ways to improve mental health services in Florida.

Rep. Ambler will be joined by the House Healthcare Committee Chair, Representative Gayle Harrell (R-Port St. Lucie) for this event. This “Idearaiser” is designed to foster an open forum for attendees to freely discuss and express concerns and solutions on mental health services. Doctors, nurses, social workers, counselors, service providers, professors and patients are just a few of those who would benefit most from this event. “It is important that the state offers comprehensive mental health services. The constructive suggestions offered by citizens helps the legislature create sound healthcare policy,” Rep. Ambler said.

All members of the public are invited to attend. Guests are asked to come with constructive ideas on how to improve public policy and services for mental healthcare. Rep. Harrell said, “This Idearaiser is an important event because it brings together people from across the community to brainstorm on ways to improve the state’s mental health services.”

For those who have great ideas on this topic but cannot attend, you can participate by visiting [www.100ideas.org](http://www.100ideas.org) and posting your suggestions.
